One-year Service and Update Agreement included

EXPAND AND CUSTOMIZE TO MEET YOUR LIBRARY'S NEEDS:

- PACPortal - search all of your library's resources with this federated search portal
- Union catalog - share resources across your district
- Schools Interoperability Framework (SIF) compliance - seamlessly communicate with your other SIF-compliant software
- Authority Control - enrich searches with "See" and "See Also" references and standardize records to the most current subject and author headings
- Pocket Module - conduct loans, returns, reserves, renewals, in-house circulation and inventory using a PALM handheld scanner
- Z39.50 integration
