We are excited to welcome you back to a new school year!

There are a few tips from our librarians have found helpful for beginning a new school year.

In the link below you will find step by step instructions on how to:

1. Remove graduated students.
2. Importing new students into Mandarin.
3. If needed, printing student barcode labels based on grade, homeroom or teacher.
4. Check and update the school and holiday calendar.
