**School year end is approaching,**

**Here are some procedures that would help you to keep your library in good shape.**

In preparation for the end of the school year, we thought it would be helpful to help get you ready!

The link below contains our End of the School year procedures. As always, our technical support team is available for any questions or assistance you may need.

Please also know that our support team is available to assist 24/365 via email at [support@mlasolutions.com](mailto:support@mlasolutions.com) or 800.426.7477 Press 3.
