A BUDGET-FRIENDLY, FEATURE-RICH, FULLY-INTEGRATED, COMPLETE SYSTEM WITH RENOWNED CUSTOMER SUPPORT
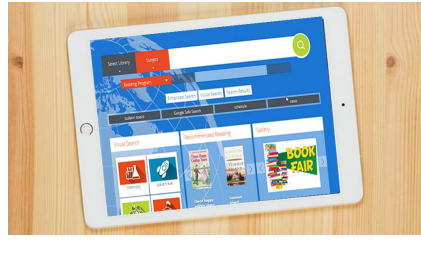

Mandarin M5
Equipment Manager.

Did you know that Mandarin M5 includes an Equipment module that helps you manage all equipment types. You can catalog, track and manage tablets (1:1) such as ipads and/or Chromebooks. Mandarin M5 allows you to have a management perspective for what devices students have checked out. Mandarin M5 equipment module can also manage and track other expensive equipment such as LCD projectors, computers, laptops, etc..
